I. INTRODUCTION

Gurus, also known as Sivacharyas, do a wonderful job of cultivating godliness in the minds of the priests by reciting the Vedic mantras they have learned to others. This is their deity. His advice and counsel can make a positive difference in the minds of the devotees who come to tell God their grievances and help them to forget their sorrows and worries and bring peace of mind and happiness. The Sivacharyas have been serving the Lord with peace of mind since time immemorial, the work of 'Sivacharyas' as their clan and optional profession. They have been teaching the scriptures and Sivagama rituals to others from an early age and preparing them for the work of Sivacharya. After a period of time the Vedic mantras and Sivagama worship are taught in a special way in the Vedic school and are developed into excellent Sivacharyas. In the early days, the teacher would listen to all the scriptures and Sivagama methods through Sivacharya and record them in his mind. Later he was taught the Vedic and Sivagama methods of writing with his fingers in the sand and with a stylus in the palm grove. Everyone from the king to the common citizen went in search of the teacher's place of work and gave him

assignments and educated him by imprinting in his mind what he had taught.

The work of Sivacharya is greatly desired by the Adi Saiva devotees. It is a great work that can give peace of mind and happiness. These Sivacharyas are the ones who follow the Vedic mantras and the Sivagama system regularly. The Sivacharyas are very diligent in their devotion to God and spirituality and are very important in guiding people to practice spirituality.

The purpose of this study is to examine the horoscopes of the Sivacharyas born in all the 12 signs from Aries to Pisces and to confirm through the following 5 rules that the Sun, Guru and Ketu planets are definitely affected in the 1st, 9th and 10th sins. The same is studied and my research topic is confirmed. Of these, the horoscopes of those born in Leo, Sagittarius, Pisces, etc., have proved to be the most suitable for Sivacharya's work.

Astrology is an excellent mathematical method of calculating the future of the country and the horoscope through the planets, zodiac signs and stars, to determine future events and to predict future events. All the beauty, glory and majesty of the deities are reflected in the growth and perpetuation of the spiritual norm. Numerous texts such as

Thevaram, Thiruvasakam, Tirupukal, Kandapuram, and rare epics such as the Ramayana and the Mahabharata are expressions of spirituality in our Hindu religion. These Hindu texts make the glory of Hinduism known to the world. Religions such as Jainism, Veganism, Vaishnavism, and Buddhism appeared in ancient times. According to their religion, six daily pujas were performed for the Lord. These were promoted by the kings of the time in all sorts of forms of gold, material, and grants. We know that the lands were also given to the temple and grew spiritually. This was continued by the Sivacharyas through their lineage. Its ethics have been unwavering.

II. STUDY HYPOTHESIS

The planets Sun, Guru and Ketu in the horoscopes determine the position to perform the divine mission of Sivacharya. Although there are various works in the field of charities, the work of the Sivacharyas working in the temples is to be examined in this study.

The sun gives the leadership position of Sivacharyar to do charity to the Lord and as the Guru is the intellectual, it gives yoga, knowledge and wisdom for the work of Sivacharya. Scriptural education for Sivacharya's work imparts the knowledge of education, the virtue of Sivacharya's work after education, and the Guru's wisdom for Sivacharya's work. Similarly, the ninth sin of Bhakti, Dharma, also contributes to the practice of Sivacharya.
