### ABSTRACT

The purpose of this study is to study the benefits of those who have gone abroad and those who are living abroad permanently or temporary foreign visit and to explore who will be eligible for yoga abroad. Going abroad was considered a great achievement and an active activity in the 1970s - 80s. It was considered an act performed only by the affluent. They only went abroad for higher studies and work. Due to the subsequent scientific development and technological development, going abroad has become a very simple thing. Indians got job opportunities abroad through computer and software. The growth of India's current computer industry has made it easier for all people to go abroad. Due to this the number of our people living abroad permanently is increasing exponentially. Income tax and foreign exchange are being levied on our people living abroad. The value of our country is enhanced by the knowledge and professionalism of our people.

### I. INTRODUCTION

As times change so do the beliefs, traditions, superstitions, Dogmas, Taboos. Time it was when an Indian who crossed the seas had to do penance for having committed the "sin" going to the country of the mlechas.

But these days, particularly after the impact of the industrial revolution and technology, going abroad, particularly to the western countries, is looked upon as a piece of good luck mainly because the West has come to be regarded as the land of opportunities. Indians going abroad or foreigners coming to India are in millions. We have in our collections hundreds of horoscopes of Indians going abroad and foreigners coming to India. Broadly, not exhaustively, they fall into the following categories:

- (a) Those who go abroad in connection with job, professionally.
- (b) Those who go abroad to settle down there permanently after taking up citizenship there. The green card in U.S .A. is a valuable possession of many Indians.
- (d) Those who go abroad for medical treatment.
- (c) Many Indian girls and even some boys go abroad after their marriage with someone abroad of Indian or foreign origin.

### II. SETTLEMENT IN ABROAD - SNAP SHOT PREDICTION

The inhibition Hindus had in earlier decades about going to foreign countries after crossing the "seven seas" has vanished. A common question being asked of astrologers these days relates to settlement abroad. A snap shot method for giving quick predictions is given below with illustrations. However, like other snap shot methods, it has its limitations. This rule has, however, been widely tested and generally found to be accurate.

The parameters are,

1. Fourth house/lord, its affliction from the lagna.
2. The role of Rahu/Ketu and its connection with the 4th house and/or the 4th lord.
3. It has been observed that whenever fourth house/lord is afflicted or fourth lord is ill placed (6, 8 & 12) in a horoscope, person leaves his native place to settle abroad.
4. If somehow or the other, Rahu/Ketu are also involved then residence abroad becomes almost a certainty.
5. Examine all these from the Moon and also in the Navamsha.

6. Examine all these from the Pada Lagna also.

### III. ASPECTS IN YOGA FOR FOREIGN VISIT HOROSCOPES

1. Yoga going abroad occurs when the planets Rahu, Saturn and the Moon sit in 9<sup>th</sup> – 12<sup>th</sup> places.

Overseas yoga is caused by the sitting of the planets Rahu, Saturn, and the Moon, which can provide overseas yoga in Bhakyashtana(9), overseas, distant, and sleepy places (12).

2. 1 - 9 - 12 house lords get the essence of Rahu, Saturn and the moon star, so the yoga of going abroad occurs.

3. 1 - 9 - 12 obtaining the essence of their star pada causes yoga to go abroad.

4. Yoga going abroad occurs as the movable Sign, water Sign or air Sign is 9<sup>th</sup> – 12<sup>th</sup> places to the Lagna target.

As the average person is unable to stay in one place like a snake, the 9 – 12<sup>th</sup> sign of the average person will go abroad, resulting in yoga going abroad. Water Sign gives to the person an unstable state like stagnant water, so 9<sup>th</sup> – 12<sup>th</sup> Water Sign will have the opportunity to go abroad. As the Air Sign becomes unstable in one place like an airborne

cargo, the air Sign becomes 9<sup>th</sup> – 12<sup>th</sup> place as Air Sign will giving it a chance to go abroad.

5. 1 - 9 – 12<sup>th</sup> Lords change within themselves and the yoga of going abroad occurs.

Lagna house lord, Bhakyathipathi, Foreign Sign house Lord Change within themselves are those who are spiritually driven to go abroad.
