ABSTRACT

A great work that can give peace of mind and happiness. Gurus, also known as Sivacharya's, do a wonderful job of cultivating godliness in the minds of others by reciting the Vedic mantras they have learned. It is also their divine profession. Sivacharya advice and counsel can bring about positive changes in the minds of the devotees who come to tell their grievances to God and help them to forget their sorrows and worries and bring peace of mind and happiness. Astrology is the science of predicting one's life. Mathematics is the basis of this. Each of the 9 planets in the zodiac gives birth to certain forces that are responsible for their motions and for the causality and sinfulness of the respective planets to the life of the creatures according to their power. Pros mathematics is the study of all these and every aspect of mathematics. Man is said to be controlled by his inheritance and growing circumstances. But astrology is said to be controlled by the planetary positions at the time of his birth. These planets are the basic forces of our life. These are all associated with the star, the zodiac, and houses. A person's career is determined by the 10th house in his favour, make progress in their business and become rich.

I. INTRODUCTION

Astrology is an excellent mathematical method of calculating the future of the country and the horoscope through the planets, zodiac signs and stars, to determine future events and to predict future events. All the beauty, glory and majesty of the deities are reflected in the growth and perpetuation of the spiritual norm. Numerous texts such as Thevaram, Thiruvasakam, Tirupukal, Kandapuram, and rare epics such as the Ramayana and the Mahabharata are expressions of spirituality in our Hindu religion. These Hindu texts make the glory of Hinduism known to the world. Religions such as Jainism, Veganism, Vaishnavism, and Buddhism appeared in ancient times. According to their religion, six daily pujas were performed for the Lord. These were promoted by the kings of the time in all sorts of forms of gold, material, and grants. We know that the lands were also given to the temple and grew spiritually. This was continued by the Sivacharyas through their lineage. Its ethics have been unwavering.

The Sivacharya profession is much loved by the Adi Saiva devotees. A great work that can give peace of mind and happiness. Gurus, also known as Sivacharya's, do a wonderful job of cultivating godliness in the minds of others by reciting the Vedic mantras they have learned. It is also their divine profession. **II. ASTROLOGY - AN EXPLANATION**

Astrology is the science of predicting one's life. Mathematics is the basis of this. Each of the 9 planets in the zodiac gives birth to certain forces that are responsible for their motions and for the causality and sinfulness of the respective planets to the life of the creatures according to their power. Pros mathematics is the study of all these and every aspect of mathematics. Man is said to be controlled by his inheritance and growing circumstances. But astrology is said to be controlled by the planetary positions at the time of his birth. These planets are the basic forces of our life. These are all associated with the star, the zodiac, and houses.

The method of predicting the future in terms of omens, astronomy first evolved over time and then into astrology. This transformation is seen in the astronomical development of overseas astrology, as well as the astrological development of countries such as Mesopotamia, Babylonia, Chaldea, Greece, Egypt, China, and Arabia. The basic facts of astrology are theories of ancient and modern development. Completed astrology is said to be based on these principles.
