### **I. INTRODUCTION**

As times change so do the beliefs, traditions, superstitions, Dogmas, Taboos. Time it was when an Indian who crossed the seas had to do penance for having committed the "Signs" going to the country of the mlechhas.

But these days, particularly after the impact of the industrial revolution and technology, going abroad, particularly to the western countries, is looked upon as a piece of good luck mainly because the West has come to be regarded as the land of opportunities. Indians going abroad or foreigners coming to India are in millions. We have in our collections hundreds of horoscopes of Indians going abroad and foreigners coming to India. Broadly, not exhaustively, they fall into the following categories:

- (a) Those who go abroad in connection with job, professionally.
- (b) Those who go abroad to settle down there permanently after taking up citizenship there. The green card in U.S .A. is a valuable possession of many Indians.
- (d) Those who go abroad for medical treatment.
- (c) Many Indian girls and even some boys go abroad after their marriage with someone abroad of Indian or foreign origin.

### **II. PLANETS AND DIPLOMATIC SERVICE**

- i) Beside what has already been stated, the involvement of the 7<sup>th</sup> and 8th houses would, somehow or the other, be there.
- ii) Saturn in 7th makes a person diplomatic and enterprising during residence abroad.
- iii) Venus with Saturn in the 9th makes a person a diplomat or otherwise engaged in similar work under a king or government.

- iv) Placement of lord of 10th in 7th house makes one travel abroad on diplomatic missions.
- v) If the 10th lord occupies the 12th house the native will have to work in a far off place.
- vi) Sometimes there will be involvement of 8th house as this is the house of secrecy which involves diplomacy.

**Gurus/Preachers & Travel Abroad:**

Certain features are to be noted here. Unless one is an imposter, his 9th, 5th and 10th houses should be very strong and interconnected. Secondly, invariably in the married life of the person concerned there would be a break. So, following features would be called for.

**III. ASPECTS IN YOGA FOR FOREIGN VISIT HOROSCOPES**

1. Yoga going abroad occurs when the planets Rahu, Saturn and the Moon sit in 9<sup>th</sup> – 12<sup>th</sup> places.  
Overseas yoga is caused by the sitting of the planets Rahu, Saturn, and the Moon, which can provide overseas yoga in Bhaktyashtana(9), overseas, distant, and sleepy places (12).
2. 1 - 9 - 12 house lords get the essence of Rahu, Saturn and the moon star, so the yoga of going abroad occurs.
3. 1 - 9 - 12 obtaining the essence of their star pada causes yoga to go abroad.
4. Yoga going abroad occurs as the movable Sign, water Sign or air Sign is 9<sup>th</sup> – 12<sup>th</sup> places to the Lagna target.  
As the average person is unable to stay in one place like a snake, the 9 – 12<sup>th</sup> sign of the average person will go abroad, resulting in yoga going abroad. Water Sign gives to the person an unstable state like stagnant water, so 9<sup>th</sup> – 12<sup>th</sup> Water Sign will have the opportunity to go abroad. As the Air Sign becomes unstable in one place like an airborne cargo, the air Sign becomes 9<sup>th</sup> – 12<sup>th</sup> place as Air Sign will giving it a chance to go abroad.
